

Patrick Pownell, M.D., F.A.C.S.

PLASTIC SURGERY

Dr. Patrick Pownell is a highly respected plastic surgeon specializing in both cosmetic and reconstructive surgery. He is the past president of the Texas Society of Plastic Surgeons and the Dallas Society of Plastic Surgery. He is active at numerous hospitals and is the current vice chairman of medical staff at Texas Institute for Surgery and past department chairman of plastic surgery at Texas Health Presbyterian Hospital of Dallas. He is an active member of the American Society of Plastic Surgery, the American Society of Aesthetic Plastic Surgery, the American College of Surgeons, and many others. For more than a decade, he has been recognized by his physician peers through his selection to *D Magazine's* Best Doctors in Dallas, *Texas Monthly's* Super Doctors, and *The Best Doctors in America*. Dr. Pownell holds dual board certifications from the American Board of Plastic Surgery and the American Board of Otolaryngology.

Dr. Pownell performs facial aesthetic surgery in a wide range of areas, including facial rejuvenation, rhinoplasty, facelifts, eyelid lifts, and brow lifts. He performs body contouring procedures, including abdominoplasty, liposuction, breast augmentation, and breast lifts. Primary areas of reconstruction are nasal, facial, breast reduction, and body contouring. He also provides nonsurgical services, including Botox® and numerous soft tissue fillers. Desiring to meet or exceed each patient's expectations, Dr. Pownell performs aesthetic and reconstructive surgery with expertise and meticulous care.

Dr. Pownell and his experienced staff are committed to providing the best possible results while treating each patient with the utmost respect, care, and dignity. Dr. Pownell strives to focus on areas of lasting significance by establishing relationships with his patients and their families, earning and retaining the trust and respect of his colleagues, and maintaining accountability to others in need.
