## Baylor Scott & White North Texas Colon and Rectal Associates

### COLON & RECTAL SURGERY

Baylor Scott & White North Texas Colon and Rectal Associates, one of the largest colorectal practices in Dallas-Fort Worth, includes seven board-certified colorectal surgeons specializing in managing colon and rectal cancer, inflammatory bowel disease, and benign colorectal and anorectal disease. Best Doctors in Dallas Drs. James W. Fleshman Jr., Warren Lichliter, Michael Pendola, and Katerina Wells offer comprehensive and compassionate care and strive to provide a welcoming and stress-free experience for patients throughout their treatment. They work closely with medical and radiation oncology specialists to provide complete care to patients with cancer. They also work with gastroenterology specialists for the management of inflammatory bowel diseases, including ulcerative colitis and Crohn's disease. This multidisciplinary approach to care supports full consideration of all aspects of each patient's experience. With six locations across Texas, BSW North Texas Colon and Rectal Associates has patients throughout the state well covered. The practice has two convenient North Texas locations in Dallas and North Garland and also provides care in Amarillo, Tyler, Longview, and Odessa.

Physicians are employees of HealthTexas Provider Network, a member of Baylor Scott & White Health.
