## Todd Pollock, M.D., F.A.C.S.

### PLASTIC SURGERY

Dr. Todd Pollock is a board-certified plastic surgeon with offices in Dallas and Allen. While his practice encompasses the broad spectrum of plastic surgery, he specializes in breast surgery, body contouring, and facial rejuvenation, and is internationally recognized for pioneering the No-Drain Tummy Tuck (abdominoplasty) technique, which enables patients to resume normal activities faster and improve their overall experience. He has adapted his successful technique for facelifts, brow lifts, and several other procedures.

A Fellow of the American Board of Plastic Surgery, Dr. Pollock is considered a trusted resource for honest and ethical cosmetic surgery. "I place an emphasis on understanding each patient's goals, ensuring their safety, and working to achieve a natural-appearing result," he says. Dr. Pollock is an active member of numerous professional societies and is respected by his peers, who have elected him to serve as president of the Texas Society of Plastic Surgeons and past president of the Dallas Society of Plastic Surgeons and the Dallas County Medical Society. He is a clinical assistant professor at UT Southwestern Medical School and a frequent speaker at national plastic surgery meetings.
