### ENDODONTICS

At Woodhill Endodontics, Dr. Murat Ayik and his staff strive to make each patient's experience in the office as comfortable and enjoyable as possible. From diagnosis to completion of treatment, Woodhill Endodontics alleviates the stress of each patient by giving detailed financial information prior to each appointment, explaining every step of the root canal process, and providing concierge level care to all.

Dr. Ayik has been practicing dentistry for 20 years and is a recognized leader in the local and national endodontic community. He graduated from the University of Tennessee College of Dentistry and earned an Advanced Education in General Dentistry (AEGD) while serving in the U.S. Navy. Dr. Ayik also completed a 27-month advanced specialty training curriculum in root canals and microsurgical endodontics at the Baylor College of Dentistry. Dr. Ayik is an active member of multiple organizations including the American Dental Association, Texas Dental Association, Dallas County Dental Society, and American Association of Endodontists.

Quality and expertise are the benchmarks of the Woodhill Endodontics experience. Dr. Ayik aspires to provide optimal comfort and care utilizing the most advanced technologies available to include the GentleWave system by Sonendo. Woodhill Endodontics is one of the few GentleWave providers in Dallas in-network with most PPO dental plans. Dr. Ayik says, "We want to help our patients by providing the best technology while being a participating in-network provider in this current financial climate."

Dr. Ayik, alongside Dr. Antonio Berto, acquired eight different endodontic locations in the Dallas-Fort Worth area which they eventually joined with the national brand Specialty1 Partners.

When Dr. Ayik is not working, he enjoys spending his time with his daughter Ayla at her sporting and musical events and cooking fun meals with her.
