

## The Dental Specialists

ENDODONTICS, ORTHODONTICS, PERIODONTICS AND DENTAL IMPLANTS, ORAL AND MAXILLOFACIAL SURGERY, PEDIATRIC DENTISTRY

The Dental Specialists is a dynamic group of board-certified specialists specializing in orthodontics, endodontics, periodontics and dental implants, oral and maxillofacial surgery, and pediatric dentistry all in one convenient place.

**Drs. Stephanie Ganter and Robert McNeill** are surgeons at the practice. Dr. Ganter is a board-certified periodontal and implant surgeon with emphasis on digital dentistry and dynamic-guided navigation. Dr. McNeill is a board-certified oral and maxillofacial surgeon and state board member. They have a YouTube channel, "Between Two Teeth," with the purpose to "Connect. Discover. Inspire." They are passionate about service locally and internationally with a recent Ukraine dental mission trip. Check out their adventures on YouTube or Instagram: @B2Teeth.

**Dr. Maheeb Jaouni**, a board-certified endodontist and member of the American Board of Endodontics, leads the endodontic team. He has been consistently recognized by *D Magazine* for his exceptional clinical skills in endodontics for 11 consecutive years. Together, Dr. Jaouni and his colleagues utilize cutting-edge technologies, including Dentapen for painless anesthesia, GentleWave and/or laser disinfection, and CBCT for precise canal detection, which ensure optimal outcomes and patient comfort.

After 10,000 smiles and counting, **Dr. Matthew Hill** is passionate about creating beautiful smiles. Dr. Hill graduated from Vanderbilt University where he served as chief resident. He received the American Board of Orthodontics award for merit for his outstanding clinical skills and dedication to patient care. Dr. Hill is passionate about providing his patients with the highest quality of orthodontic care using the latest technology.

This pediatric dental team comprises skilled dentists who focus on providing exceptional care, emphasizing a comfortable experience for young patients. They utilize advanced techniques in sedation, digital imaging, and child-friendly amenities to ensure optimal oral health and happy smiles.
