Deandra Grant

DWI DEFENSE

Deandra Grant Law managing partner Deandra Grant is an AV-rated attorney with a state-wide DWI/criminal trial and consulting practice. She is a national instructor on DWI law and science and the co-author of *The Texas DWI Manual* (James Publishing).

Grant is president emeritus of the DUI Defense Lawyers Association, current president of the Dallas Criminal Defense Lawyers Association, and serves on the board of the Dallas Women's Lawyers Association. She is a member of the American Chemical Society and the American Academy of Forensic Sciences. In 2015 she received the ACS-CHAL Forensic Lawyer-Scientist designation from the American Chemical Society. In 2016, Grant earned her master's degree in pharmaceutical science and a graduate certificate in forensic toxicology from the University of Florida. She is an assistant chromatography instructor for the American Chemical Society at Axion Analytical Labs in Chicago.

Grant has been named a SuperLawyer by Thomson Reuters. She runs all six of Deandra Grant Law's Texas offices in Dallas, Denton, Allen, Fort Worth, Waco, and Austin. Her team handles DWI and criminal cases throughout North, Central, and East Texas. In addition, she consults with civil and criminal attorneys on issues regarding allegations of intoxication. Grant is known as "The Lawyer Lawyers Call."

Outside of her legal practice, Grant is the vice president of Living the Doxie Dream Rescue & Sanctuary, located in Royse City, Texas. She also hosts the YouTube shows "Wine'ing About the Law" and "Forensics Corner."
