GASTROENTEROLOGY

Drs. Rikin Patel and Juan Martinez have been proudly serving Dallas, Irving, and the surrounding communities for more than a decade. As board-certified, fellowship-trained gastroenterologists, they are committed to a compassionate, individualized patient-oriented approach to treating all gastrointestinal conditions. They are part of the GI Alliance, the nation's largest and most respected gastroenterology private practice, providing access to the most up-to-date treatment protocols and advanced GI research to improve patient outcomes. They also have an expertise in a wide array of procedures, including colonoscopy, endoscopy, pill endoscopy, and ERCP. In conjunction with a high level of knowledge and a patient-first approach, they provide services for colon cancer screening and are able to diagnose and treat inflammatory bowel disease, Celiac disease, reflux, irritable bowel syndrome as well as pancreatic, biliary, and liver disease in a convenient state-of-the-art facility. They strive to provide the highest level of care in a compassionate and professional manner and feel honored and privileged to provide care to their patients and families throughout Dallas-Fort Worth.
