VANESSA CAVALIERA

Regional Plastic Surgery Center

PLASTIC SURGERY, HAND SURGERY

At Regional Plastic Surgery Center, board-certified plastic and hand surgeons Drs. Denton Watumull and Joshua Lemmon blend medical expertise with state-of-the-art skin and laser treatments. Both doctors specialize in plastic surgery, cosmetic surgery, and breast reconstruction, as well as surgery of the hand and wrist, and microsurgery. Dr. Lemmon is well known for his advanced microsurgical reconstruction of the breast, head, neck, and extremities. He has one of the largest practices for microvascular breast reconstruction (including DIEP and perforator flaps) in Dallas-Fort Worth. Dr. Watumull has extensive experience in all plastic and reconstructive surgery. His special interests include facelifts, rhinoplasty, body contouring, lower-body lifts, breast augmentation, and reconstruction. Regional Plastic Surgery Center comprises multiple fellowship-trained plastic and hand surgeons board certified by the American Board of Plastic Surgery. They are members of the American Society of Plastic Surgery and American Society for Surgery of the Hand, and have earned their Certificate for Added Qualification in Surgery of the Hand. Meet the doctors on May 1 at their Spring Beauty Event. Check for event specials at SpringBeautyEvent.com.
